

To: All Parents, Staff, and Local Supporters

We are fortunate to have found a company that will purchase empty inkjets from us and we will be promoting this as a fundraising for this school year.

We will be collecting the following empty inkjet cartridges

This is just a partial list of our inkjets. Please collect & bring all HP and Lexmark and Canon & Dell Inkjets to the community/school.

This program is safe, simple, quick and an easy way to raise funds for our community/school/church. Empty inkjets can be collected from your printers at home. Parents and family members are encouraged to collect cartridges from their places of employment, co-workers and neighbors. Inkjet cartridges should be brought into the building and handed into the front office or program administrator.

It is recommend that each inkjet is wrapped in a zip lock bag or plastic cellophane wrap to prevent leakage on hands or clothes. This program is based on the premise that we can earn money for our community, raise money for **The Hospital for Sick Children**, and help the environment by Recycling.

Thank you for your continued support and helping us raise funds for our community/school/church.
